Video Taping Requirements of Existing Conditions within the Project Limits

Roadway Standard Drawings & Storm Sewer Standard DrawingsC

General NotesD

General Notes for Minor Urban Collectors, Local Streets, Multi-Family Developments, Commercial and Industrial Projects

General Notes for Road Widening

Traffic Signal Standards

Submission Cover Document, Review Checklists, and Design AidsE

Submission Coversheet/Fee Schedule

Sample Preliminary Engineering Plan Submission and Review Checklist

Sample Final Engineering Plan Submission and Review Checklist

Sample Road Widening Plan Submission and Review Checklist

Sample Change Order Submission and Review Checklist

Sample Final Plat Submission and Review Checklist

Sample Commercial and Industrial Engineering Plan Submission and Review Checklist

Sample Common Access Drive (CAD) Engineering Plan Submission and Review Checklist

Sample Lot Split (NPA) Submission and Review Checklist

Sample As-Built Submission and Review Checklist

Sample Ditch Setback Plan Submission and Review Checklist

DESIGN AIDS

Shear Stress Charts (for erosion control)

Orifice Pipe Discharge Curves

Weir Discharge Curves

Sample As-built Certification

**Sample Owner’s Agreement, Standard Unit Prices, and Sample Engineer’s Estimate
..... F**

Work in Right-of-Way Permit Forms and Utilities Policy..... G

Drive Permit Process
Application for New Driveway

Ditch Permit Process
Application for Ditch Improvement Permit

Application for Work in Right-of-Way

Tree and Landscaping Policy within the Right-of-Way

Application for Storm Sewer Permit

Public Utility Permit Process
Application for Utility Blanket Permit
Application for Utility Construction Permit

Utilities Policy

Road Closing Permit Application

Drainage Maintenance Process & Sample Petitions..... H

Drainage Improvement Petition Process

Subdivision Drainage Maintenance Petition
Commercial Site Drainage Maintenance Petition
Condominium Drainage Maintenance Petition

Sample Exhibit "C"

Traffic Impact Study (TIS) Standards.....I

Traffic Impact Standards

Supplemental to Traffic Impact Standards

Proposed Right-of-Way and Property Conveyance Requirements.....J

Proposed Right-of-Way

Property Transfer Standards

DESC.....K
