

# Delaware County DESC Permit

## Final As-Built Survey Certificate

---

Date\_\_\_\_\_ Builder\_\_\_\_\_

Property Address\_\_\_\_\_

Subdivision\_\_\_\_\_ Lot Number\_\_\_\_\_

---

I hereby certify that:

- The finish grade elevations, recorded easements, storm sewer manholes, storm water structures and the flood routing shown on this plot/ grading plan are the result of an actual as-built survey (attached) performed on \_\_\_\_\_, 201\_\_. These "as-built" elevations are consistent with the approved engineering plans. Established drainage away from the structure(s) and off the lot has been verified.

Signed\_\_\_\_\_ Print\_\_\_\_\_ Date\_\_\_\_\_

Professional Surveyor

- The purchaser has been informed of the need to maintain established drainage patterns as shown on the final as-built survey;
- I understand that with the submittal of this certificate, final as-built survey and photo documentation, a final DESC inspection will be performed within 5 business days of the receipt.
