## Project Fact Sheet

Liberty Rd. & Salisbury Dr. Intersection Improvements – DEL-CR9-00.00

### Project Description:

The Delaware County Engineer's Office (DCEO) is planning to upgrade the existing intersection of Liberty Rd. & Salisbury Dr. with a modern, single lane roundabout. The project will include northbound and southbound left turn lanes at the intersection of Liberty Rd. & Libertydale Dr. / St. Joan of Arc driveway. The project will connect the existing shared-use path on Salisbury Dr. to the sidewalks on Libertydale Dr.

### Project Need:

Liberty Rd. is a heavily travelled north/south corridor, and traffic projections show increased volumes in the years to come. The proposed Liberty Rd. & Salisbury Dr. roundabout, as well as the left turn lanes at Libertydale Dr., will improve public safety of these intersections and help reduce congestion in the area.

### Project Limits:

The proposed project improvements to Liberty Rd. will begin approximately 500' south of the intersection with Libertydale Dr. to approximately 750' north of the intersection with Salisbury Dr. The proposed project improvements to Salisbury Dr. end approximately 300' from the intersection with Liberty Rd. The proposed project improvements to Libertydale Dr. end approximately 140' from the intersection with Liberty Rd.

### Project Details:

- Constructs a modern, single lane roundabout at the intersection of Liberty Rd. & Salisbury Dr.
- Adds left turn lanes from Liberty Rd. to Libertydale Dr. and the St. Joan of Arc Church driveway.
- Extends the existing shared-use path on Salisbury Dr. to the Liberty Rd. & Libertydale Dr. intersection.
- A Rapid Rectangular Flashing Beacon (RRFB) at the Liberty Rd. & Libertydale Dr. intersection to assist with pedestrians crossing Liberty Rd.
- Extends the existing sidewalks on Libertydale Dr. to the Liberty Rd. & Libertydale Dr. intersection.

### Proposed Project Schedule & Potential Closures:

Design and Engineering: \_\_\_\_\_ May 2018 to December 2020

Right-of-Way Acquisition: \_\_\_\_\_ January 2021 to May 2021

Construction: \_\_\_\_\_ July 2021 to November 2021

It is anticipated that the intersection of Liberty Rd. & Salisbury Dr. will be closed during the summer of 2021. Please note the above dates are approximate and are subject to change as the project progresses. Public notification of closures will be given through the DCEO.

### Estimated Project Cost:

The current cost of construction is approximately \$1.75 million dollars. Funding is through the DCEO.
