About The Road Construction Guide...

This publication includes information on road construction involving county and township roadways only. Due to limited space, projects under \$250,000 or with road closures less than two weeks are not listed. Schedules listed in this guide are subject to change.

For road construction projects located on State or U.S. routes, or within city limits, please visit www.pavingtheway.org

For the most current construction and road closure information visit us [@DelCoEngineer](https://twitter.com/DelCoEngineer)  

What is the Delaware County Transportation Improvement District?

The Transportation Improvement District (TID) is an independent governmental unit that works closely with Delaware County and other local governments within the county to advance transportation projects through innovative contracting methods and use of public-private partnerships. You can find more information about the TID at www.tid.co.delaware.oh.us

2022 County & Township Road Projects

2023 Projects

- 1 2022 Countywide Pavement Resurfacing**
May to October 2022 **Countywide**
\$3.5M Delaware County Road & Bridge Funds
\$5+M Township Funds; \$1+M OPWC Grants to Various Twps.
Asphalt resurfacing, micro-surfacing, chip sealing, crack sealing, berm repair, pavement marking and other work on various county and township roads throughout Delaware County. See the *2022 Paving Guide*.
- 2 Worthington & Africa Road Intersection**
Oct. 2020 to August 2022 **Orange & Genoa Twps.**
\$6.0M Delaware County Road & Bridge Funds
Widening Worthington Road to 5 lanes through Africa Road plus new right turn lanes on Africa Road. Widening extends north on Worthington Road to Highland Lakes Ave. as a 3-lane section. Short-term closures of Africa Road followed by a 5 month closure to southbound traffic on Worthington Road between Highland Lakes Ave. and Africa Road starting spring 2022. Northbound traffic will be maintained.
- 3 Lazelle Road Culvert Replacement**
February to April 2022 **Columbus & Orange Twp**
\$60K Delaware County, \$35K Orange Twp, \$130K Columbus
Replacement of a failing culvert and storm sewer 300 feet east of U.S. 23 on "Old" Lazelle Road. Includes resurfacing from US 23 to "new" Lazelle Road East.
- 4 Jewett Road Recreational Trail**
March to June 2022 **Liberty Township**
\$150K Federal Transportation Funds; \$37,500 Liberty Twp.
10-foot wide path along the south side of Jewett Road extending from Liberty Road to Derby Drive.
- 5 Sawmill Parkway and Home Road Intersection**
May to June 2022 **Powell & Liberty Twp.**
\$3.7M Delaware County Road & Bridge Funds
\$495K OPWC Grant & \$400K ODOT Jobs & Commerce Grant
Widening of Home Road to 5 lanes through the Sawmill Parkway intersection, new turn lanes northbound on Sawmill at Home Road, new right turn lanes at Home & Liberty Road. Also, connection of the shared use path from Olentangy Liberty HS to Liberty Trace Subdivision. Traffic will be maintained except for short duration lane restrictions.
- 6 Small Bridge Replacement Projects (4)**
July to December 2022 **Various Locations**
\$500K Delaware County Road & Bridge Funds
Replacement of small bridges at the following locations. 2± month closures for each bridge.
 1. Miller-Paul Road south of Trenton Road
 2. Miller-Paul Road north of Trenton Road
 3. Hartford Road east of Ross Road
 4. Steamtown Road north of Whipple Road
- 7 Reed Parkway, Phase 1**
April to June 2022 **Berlin Township**
\$580K Delaware County Road & Bridge Funds
Construction of a new roadway from Lackey Old State Road west for about 1/4 mile serving a new Delaware County sanitary sewer pump station and future Berlin Business Park.
- 8 Home Road Recreational Trail**
April to July 2022 **Liberty Township**
\$200K State Capital Funding, \$50,000 Liberty Township
\$12,500 City of Powell, \$12,500 Delaware County Road & Bridge
10-foot wide path along the north side of Home Road extending from Beautiful Savior Lutheran Church to Olentangy Liberty HS.
- 9 Byxbe Parkway, Phase 1**
May 2022 to August 2023 **Delaware & Brown Twp**
\$4.5M Delaware County Road & Bridge Funds
Construction of a new 4-lane roadway from U.S. 36 at Glenn Road extending north to State Route 521 through the former Delaware Career Center North Campus.
- 10 Berlin Station and Piatt Road Intersection**
June to October 2022 **Berlin Township**
\$1.1M Delaware County Road & Bridge Funds
\$550K Development Assessment
Construction of a new single-lane peanut-shaped modern roundabout just northeast of Olentangy Berlin High School. Funded in part by planned residential developments north of Berlin Station Road. 6-week intersection closure planned June to August.
- 11 Green Meadows Drive (Home to Lewis Center)**
August to November 2022 **Orange Township**
\$1.2M Development Assessment
\$600K Delaware County Road & Bridge Funds
\$500K Ohio Public Works Funds
Construction of a 0.9 mile long, 3-lane road connecting the Lewis Center and North Road roundabout to the new Home Road Extension east of US 23. No traffic impacts during construction.
- 12 US36/SR37 & Carter's Corner Road Intersection**
August to November 2022 **Berkshire Township**
\$1.8M Federal Highway Safety Improvement Funds
\$500K Delaware County Road & Bridge Funds
Widening of US 36/SR 37, Carter's Corner and Domigan Roads with left turn lanes and provisions for a future traffic signal. One-lane, two-way traffic will be maintained on US 36/SR 37 for a period of 6 weeks while Carter's Corner and Domigan Roads are closed.
- 13 Seldom Seen "S Curve" Realignment**
September 2022 to May 2023 **Liberty Township**
\$500K Ohio Public Works Funds
\$150K Liberty Township Funds
\$150K Delaware County Road & Bridge Funds
Realignment of the S-curve on Seldom Seen Road between SR 257 and Sawmill Parkway. Road will be closed for about 60 days with posted detour.
- 14 Berlin Station & Braumiller Road Intersection**
September 2022 to May 2023 **Delaware Township**
\$1.2M Delaware County Road & Bridge Funds
Replacement of a large culvert under Braumiller Road south of the 4-way stop and minor pavement widening on Berlin Station Road east to Glenn Parkway. 4-week closure of Braumiller south for replacement of the culvert. Traffic maintained on Berlin Station.

- A 2023 Countywide Pavement Resurfacing**
Summer/Fall 2023 **Countywide**
\$3.6 M Delaware County Road & Bridge Funds
\$6+ M Township Funds; \$1+M OPWC Grants to Various Twps.
Asphalt resurfacing, micro-surfacing, chip sealing, crack sealing, berm repair, pavement marking and other work on various county and township roads.
- B Worthington & Lewis Center Road**
Winter 2022-23/Spring 2023 **Genoa Township**
\$2M Federal Highway Safety Improvement Program
Construction of a single-lane modern roundabout. Full intersection closure for up to 2 months.
- C Lewis Center at Future Home Road Extension**
Spring/Summer 2023 **Orange Township**
\$1.6 M Delaware County Road & Bridge Funds
Construction of a single-lane modern roundabout. A temporary road will be built to maintain two-way traffic on Lewis Center Road with only brief closures for tie-ins and utility crossings.
- D "Old" Sawmill Road & Presidential Parkway**
Summer 2023 **Liberty Twp./ Powell**
\$560,000 Federal Highway Safety Improvement Program
\$300,000 Delaware County Road & Bridge Funds
\$180,000 Liberty Township; \$60,000 City of Powell
Construction of a single-lane modern roundabout. Full intersection closure for up to 2 months.
- E US36/SR37 and Galena Road**
Summer 2023 **Berkshire Township**
\$2M Federal Highway Safety Improvement Program
\$1M Delaware County Road & Bridge Funds
Widening of US 36/SR 37 and Galena Roads with left and right turn lanes and a new traffic signal. Joint project with ODOT District 6.
- F Steitz Road Widening**
Summer/Fall 2023 **Liberty Township**
\$2.5M Delaware County Road & Bridge Funds
\$360K Developer Contribution
Minor pavement and shoulder widening, safety and drainage improvements on Steitz Road from Liberty Grand Blvd. to Hyatts Road. One-way traffic will be maintained during construction for about 3 months.
- G SR 3 and Lewis Center Road**
Summer/Fall 2023 **Genoa Township**
\$1.2M Delaware County Road & Bridge Funds
Construction of turn lanes on SR 3 and Lewis Center Road with provisions for a future traffic signal and replacement of a large culvert on Lewis Center Road east. Closures are planned for Lewis Center Road but SR 3 will remain open to two way traffic.

Due to limited space, only selected projects are listed. Please visit DelawareCountyEngineer.org for more information on these and other future projects.
